The horse Show reserves the right to require guaranteed funds from exhibitors. When you provide a check or credit card as payment, you authorize us either to use information from your check to make a one time electronic funds transfer from your account or to process the payment as a check transaction. Failure to promptly clear any outstanding debt with the UPHA Chapter 5 Horse Show will result in a complaint filed with USEF.

Prize Money

Prize money will be paid to the payee information on the entry blank. A Social Security Number or Federal ID must be provided. Premiums will be mailed within 30 days following the show.

Lash whips are not allowed on victory passes or in the warm up arena during performances.

Exhibitors and Attendants: Duties and Appearance

All attendants in charge of horses or assisting with the preparation and showing of horses will be subject to the orders of the Horse Show Manager. As the show expects to receive substantial amounts of video coverage, the management requests that all exhibitors present themselves and their attendants in appropriate attire at all times in or around the ring. Exhibitors are also cautioned as to their conduct in the ring and schooling areas, especially with respect to training and schooling of horses.

Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to Segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

REMINDER!

You can do your entries on line!

We are offering Online entries through www.horseshowsonline.com. Below are the instructions to enter Online.

What you need:

A free account at Horse Shows Online. If you don't already have an account you can create one when at www.horseshowsonline.com. Horse Shows Online basic membership is free

A record in your account for each person and horse that you will use on show entry forms when you enter a show. Records will be saved and can be used for future shows. How do I get started::

Login to Horse Shows Online at www.horseshowsonline.com, click on the member services button on the main menu.

Once you are logged in click the "My Horses, People, Shows" button in the member menu

At the People, Horses, Shows page, add any new people and horses to your account as required on the appropriate tab (IE: My People, My Horses). People and horses are saved with your account. Once you have those records in your account you can use them at every show you enter.

Click the "Enter Show" button to select the show you want to enter and follow the steps in the outline entry wizard.

Steps to enter a show:

Select the show you want to enter from your "My People, Horses, Shows" page on the My Show Entries tab, or find the show you want to enter in the show selector and click the Online Entry icon. This will start the Online entry wizard. Make sure you have already created the horses and people in your member account.

The Online entry wizard will guide you through the steps to complete the entry form. The basic steps in the wizard are:

Select the horses, people and riders for your entry Select the classes each rider is entered in

Select the quantity for stalls and other fees Confirm your selections

Checkout and submit the show entry

The final step generates the completed entry form and submits your entry to the show for review and acceptance. If the show requires a payment at entry time, you will be prompted for your credit card information.

Tips:

You can cancel the entry part way through the wizard and resume the entry later on. For example, if you need to add more people to your account, or just want to come back and complete the entry later. Unfinished entry forms are listed in your "My entries" tab and will allow you to edit the entry.

People and horses you create in your account are saved permanently and can be used in other shows you enter. You only need to add people and horses once and then can be re used.

IMPORTANT: Please ensure all data is input correctly in your account. If it is entered incorrectly, it will import into every horse show you enter incorrectly and will need to be corrected every single time.
